

INVESTMENT EDUCATION · ZAMBIA

Free Investing Basics

A clear place to start your investing journey

Live online via Zoom · Lusaka / CAT (UTC+2)

FREE · 30 minutes

1 About this class

New to investing? Start here. Join a free, beginner-friendly 30-minute class online and learn the basics of investing in Zambia. Sessions are scheduled for the first Wednesday of each month, 10:00–10:30 Zambia time (CAT, UTC+2); there is no class in December. The live booking page shows the next available session.

2 Who this class is for

- You have savings but do not know where to invest them.
- You have heard of unit trusts, GRZ bonds or shares but do not know how they work.
- You have never invested before.

3 What you will learn

- How unit trusts, GRZ bonds and shares work.
- What a first-time investor may need to start: accounts, documents and money.
- Which beginner class to take next.

4 Course outline

1. Introduction to unit trusts, GRZ bonds and shares in Zambia.
2. Accounts, documents and practical considerations for getting started.
3. Choosing a next learning topic that matches your interests.

5 Your facilitator

Mukonki Mukonkela, FCCA, FZICA, Chartered Accountant, financial educator and founding partner of Insight Partners Africa. The event description highlights the practical connection between technical financial knowledge and decisions for investors, employees, professionals and organisations.

6 What happens after this class

1. Start with Free Investing Basics (this class).
2. Continue with a beginner class in unit trusts, GRZ bonds or shares (three hours, online; the original event record lists US\$45 per participant).
3. Participants who complete a paid class may join the Smart Investors Community.

7 Delivery and what to prepare

The class is live online via Zoom. Bring a phone or computer with an internet connection. After registering, check your email for confirmation and the private Zoom joining link. The class is not recorded; if you miss it, register for the next available session.

8 Frequently asked questions

Is it free? Yes. You do not pay anything for this class.

Is there a recording? No. If you miss the session, register for the next month's class.

What do I need? A phone or computer with internet access. The Zoom link is emailed after registration.

How do I register? Choose an available date on the live event page and click the registration button.

9 Current booking page and terms

These workshops recur, and dates, fees and availability can change. Use the live booking page as the source of current details. Review the cancellation, refund and booking terms presented before payment; confirm the selected workshop date and price before completing checkout.
